FADA ta continua cu nan charlanan di prevencion den aña escolar nobo

Cu e fin di conscientisa comunidad mirando cu aña escolar nobo a cuminsa, ayera Fundacion Anti Droga Aruba (FADA) a realiza un conferencia di prensa tocante adiccion na droga y videogames.

Rulienne Arends, trahado preventivo di FADA, a splica cu na a cuminsa prepara nan mes den temporada di vakantie pa nan por ta cla cu nan charlanan y tayernan na scolnan ora aña escolar ta inicia.

E charla y tayernan ta forma parti di e programa cu nan ta ofrece na mucha y hobennan, di cual Arends a enfatisa cu nan a actualisa diferente topico y tin otronan nobo cu a bin acerca a base di peticion cu nan a haya for di docentenan of mayornan mes.

Nan tin programa di adiccion pa muchanan for di 4 aña di scolnan primario, te cu esnan di mas grandi unda nan ta ofrece diferente charla di adiccion for di varios aña pasa. Tambe nan tin otro programanan como 'B - Smart' y 'Paga Tino' cu segun Arends ta programanan ta wordo pidi bao e muchanan di vijfde y zesde klas. Tambe nan a prepara diferente tema importante pa docentenan riba e parti di adiccion.

Mirando cu na januari FADA a cuminsa un reto nobo, cu ta e parti di salud mental, nan tin un programa dedica na esey tambe unda cu cada klas ta haya algo diferente compara cu otro mucha di klasnan mas avansa, y tambe ta dirigi na docentenan.

For di otro siman, manera Arends a sigura, tur scol ta bay haya e schema di salud

mental y adiccion unda cu tin scol cu ya tin esaki caba.

Di su parti, Miosotis Tromp, trahado social di FADA a trece dilanti e programa 'Moti-4' cu a keda conoci na aña 2020, cual ta un programa di motivacion cu nan ta ofrece na hobennan entre 14 cu 24 aña cu ta experimentando cu substancianan legal como humamento y alcohol y esunnan ilegal cu ta marihuana, cocaina of ecstasy, entre otro.

A base di esaki, nan a cuminsa mira den añanan escolar anterior e necesidad pa tambe ofrece e motivacion pa muchanan cu ya caba ta den mundo di videogames y cu ta dedica hopi tempo na esaki. Di e programa di Moti-4, Tromp a informa cu esaki ta consisti di cuater seccion cu ta wordo duna door di un trahado social na studiantenan cu diferente herment pa yuda nan reconece kico ta e efectonan cu e substancianan ilegal y legal por tin riba nan y tambe e efecto di videogames.

Un di e efectonan cu adiccion na videogames ta causa pa muchanan ta cu scol ta perde importancia pa nan, tambe e parti social ta perde importancia, nan ta enfoca mas riba e wega y esey ta un problema. Unabes cu un mayor ta bisa nan yiu por ehempel pa bay come, su reaccion ta grita e mayornan. Tambe tin casonan cu muchanan no ta sali for di camber pa motibo cu nan tin mas interes pa e wega.

Mester tin un control, pa motibo cu esey por keda escala te bira un problema grandi. E problema tambe ta cu tin biha mayornan ta reconece cu tin algo no ta canando bon, pero tambe ta existi algun

no sa e peligernan, cu nan por bira victima di un hacker of pedofiel pa motibo cu hopi adultonan tambe ta hunga.

Videogames como tal ariba nan mes no ta malo, pero e mester ta controla, unda cu e parti importante ta educacion. Mayornan tambe por haya terapia pa cu esaki, pa motibo cu nan tambe mester forma parti di e proceso. Por ta cu nan ta reconece cu e problema ta existi, pero tambe nan por tin necesidad di ayudo psicologicamente. Den e programa Moti-4 e hermentnan ta enfoca riba e substancianan legal y ilegal, ademas di e comportamiento di e muchanan mirando con ta reacciona riba dje. "E programa aki por wordo ofreci na tur mucha na Aruba unda cu por wordo pidi tanto pa mayor como docente na scol, cu ta mira esaki, of di e mesun hoben cu por ta e ta sinti cu e mester un tiki guia", Tromp a expresa.

Nan a mira cu hopi hoben

caba a pasa den e trayectoria aki, pero Tromp a enfatisa cu cada situacion di un hoben ta diferente. Si nan ta ripara cu el a yega na un punto di adiccion, nan como fundacion tambe tin e posibilidad di dirigi e hoben na Consultorio pa Asuntonan di Adiccion (CAA).

"Ta hopi importante pa menciona cu e programa aki ta trece hopi cambio, pero nos meta pa cu esaki ta pa hobennan mes yega na e punto di realiza cu nan mes kier yega na stop di uso di substancianan ilegal of legal, pero tambe pa loke ta e video weganan y asina minimalisa e uso extenso di dje", el a bisa.

E ta considera importante pa hobennan por uni na e programa aki cu a haya un bon acogida e temporada pasa, manera el a expresa, ya cu FADA ta esun cu kier trece cambio y conscientisacion di crea muchanan fuerte y resistente na situacionnan cu ta sucede rond di nan.

E custumber di 'ken bo conoce' ta stroba un desaroyo economico fuerte

Cultura na Aruba no ta yuda diversifica economia

Mester bin un cambio di cultura rapido si Aruba kier diversifica su economia, pasobra e sistema ta pinta e isla como mas santo cu Papa di Roma, pero en realidad, ta un caminda di cruz pa cuminza cu un negoshi, loke no ta yuda intencionnan pa haci economia mas diverso y fuerte.

For di Duana te na DIMAS, di DVG te na DIP por ta hopi frustrante pa un comerciante opera. Regularmente comerciantenan estableci caba ta keha con nan ta keda warda riba nan carga pasobra Duana ta interpreta nan responsabilidad diferente. Consecuentemente, e descarga di container por tarda, cu ta nifica mas gasto.

Pero e frustracion mas grandi ta pa cuminza cu un negoshi na Aruba, incluso si ta trata di inversionistanan stranhero y no ta limita unicamente na sector publico.

Bon Dia Aruba papia cu diferente empresario (red. identidad conoci pa redaccion) cu a expresa e mesun preocupacion. Cuminza un negoshi ta hopi dificil y frustrante. "E ta cuminza na habri un cuenta di banco. Pa por habri un cuenta di banco, e ta tuma entre tres pa seis luna. Y hasta si habri un di dos cuenta na e mesun banco, mester entrega un cantidad di documento y dato cu e banco tin caba den posesion. Pa ora cu haya e cuenta, ya caba e inversionista ta frustra." Den mesun rosea, un empresario a bisa cu e sistema tin punto positi-

vo tambe. "E sistema di control riguroso ta nifica si cu e transferencia di fondonan na nivel mundial ta sucede riba e mesun dia, cu ta ilustra cu banconan internacional ta confia Aruba. E no ta sucede na tur pais," a bisa Bon Dia Aruba.

E storianan di frustracion pa habri cuenta di banco ta hopi conoci, pero no ta e unico problema pa inversionista. "E redtape na Aruba ta stroba. E ley ta contra un empresario. Ademas, e trahadonan publico ta boicotia," a bisa Bon Dia Aruba. "E trahado publico por stroba henter un proceso si e mester wanta un peticion. Y esey ta sucede hopi biaha."

Asina tin ehempel na cantidad. Aruba no tin ningun restaurant cu ta di un chef cu tin strea Michelin. Ta trata di e reconocimiento mas halto pa cualkier restaurant of chef. Den e caso aki, un chef cu

dos strea Michelin no por haya permiso pa habri su restaurant, pa motibo cu ta dificil pa compronde.

"A cuminza cana e caminda y diripiente un ambtenaar ta bisa cu no por haya permiso. Ora cu puntra dicon, e contesta ta pa 'bay na Minister.' Kico esey kiermen? Lo mester bay na Minister pa duna e control atrobe?"

Otro caso ta di un empresario stranhero cu tin un inversion di dos milyon dollar na Aruba. Pero pa un of otro motibo, DIMAS a nenga su di 5 permiso. "Con kier pa hende inverti y no ta duna e facilidad pa nan por haci esey?"

Banda di DIMAS, tin e reto di Departamento di Infraestructura y Planificacion. Por ehempel un grupo a ricibi tereno huur pa por cuminza cu un proyecto specifico. Pero, pa por haya financiamiento, mester di un tereno

erfpacht, ya cu banco no ta duna prestamo si tin tereno huur. Y henter e proyecto ta para pa un año, pasobra no por haya un tereno erfpacht banda di e tereno di huur. "E ta mustra di ta un boycott."

One-stop-shop

Departamento pa Asuntonan Economico, Comercio y Industria tin e servicio ARINA, cu ta e Aruba Investment Agency. E ta diseña pa ta e prome y principal punto di contacto pa tur inversion stranhero na Aruba, y lo mester a hacie mas facil pa inversionistanan establece nan negoshi na Aruba. Arina, segun e website di Departamento pa Asuntonan Economico, ta percura pa informacion, ta conseha riba oportunidadnan y maneho di inversion, y ta asisti den tur procedura di permiso.

Pero e experiencia desde cu a crea Arina ta cu e agencia por yuda te unda e tareanan di Asuntonan Economico ta yega. Pasobra asina cu ta dreठा otro area, e asunto ta pega. Den e caso di e chef cu strea Michelin, aki ta un Departamento di Salud Publico tin cu duna permiso tambe y Arina no tin influencia riba e proceso eyan. "Si sigui e proceso formal, tur cos ta keda pega."

Who you know

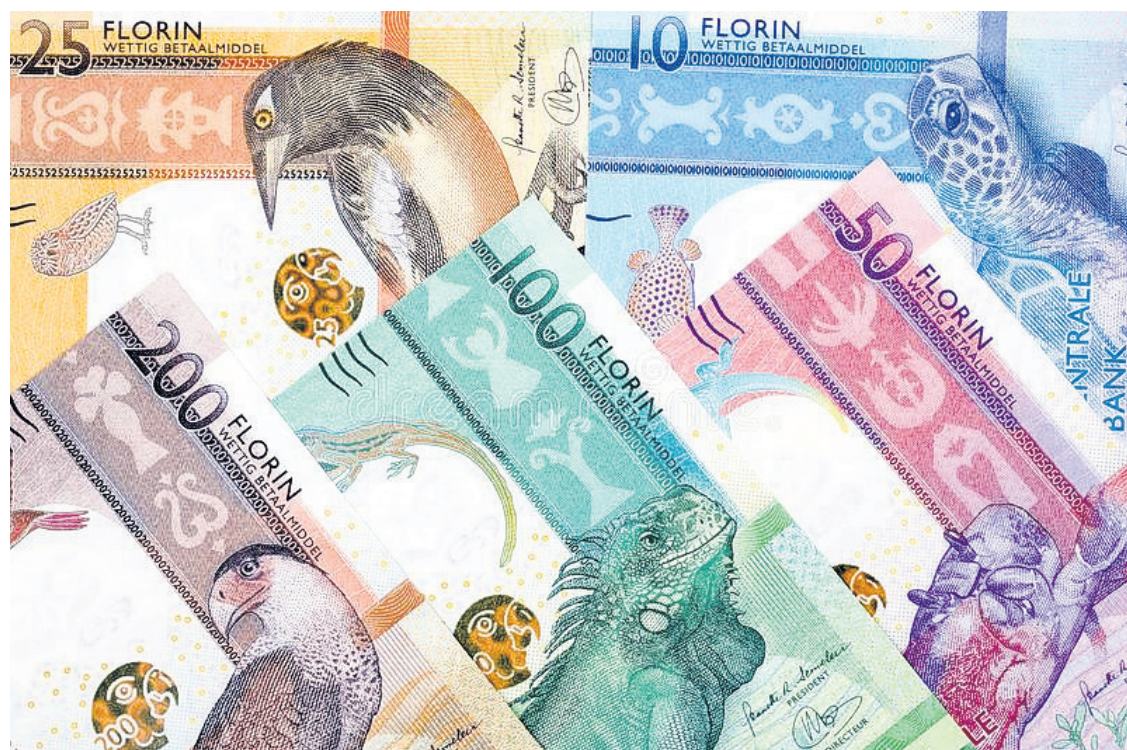

Hecho ta si cu algun ta haya permiso y otro ta tarda. Y no automaticamente mester asumi cu ta paga bao mesa. Pero otro empresario a ilustra cu "aki ta depende ken bo conoce y ken ta dispuesto pa pusha pa bo. Hopi biaha e ta bin cu un pago. Pero no tur ora. Tin biaha e ta djis cuestion di yama hende y sa ken

pa yama."

E forma di traha aki por nifica cu Aruba ta perde inversionista of hasta ta pone cu algun ta acudi na Ministernan pa logra kico nan mester y esey no ta e idea. "E ta nifica cu esnan cu si a logra, sea nan mester a carga hopi pasenshi, perde hopi placa y tempo, of a logra pa motibo di conoce hendenan den e luga corecto. Esaki no ta con Aruba mester funciona. E servicio cu sector publico ta brinda, realmente ta mediocre."

Na 2005 y despues 2007 Algemene Rekenkamer di Aruba a produci rapportnan riba e estructura di permiso na Aruba. Den su investigacion Contraloria General a enfoca riba transporte, tratamiento medico den exterior, otorgamento di paspoort y permiso di estadia y a musta cu e proceso ta crea cierto vulnerabilidad. E intencion tras di e investigacion tabata dirigi riba inventarisa y evalua e garantianan pa sigura cu ta actua legal y integro ora di otorga permiso. E organo a bisa cu a haci e analisis basa riba e recomendacionnan di Rapport Calidad. E rapport aki a recomenda pa bin cu decisionnan pa bin cu un estructura coherente di medidanan cu mester mehora y mantene nivel di integridad di Gobierno. Hopi di e recomendacionnan tin di haci cu aparato publico, e relacion cu ciudadano y e forma con ta ehecuta e trabao.

Den e landspakket pa Aruba, Gobierno a bay di acuerdo cu mester optimalisa e estructura di permiso, baha e gasto pa haci negoshi y elimina e redtape, esta e burocracia. Aruba ta encarga segun e landspakket pa haci un revision y trece mehoracion.

Segun CICI, Aruba ta sigui lidera ranking den Caribe cu clima di inversion atractivo

Segun e rapport Caribbean Investment Climate Index (CICI) cu Economisch Bureau Amsterdam (EBA) a publica e aña aki, Aruba ta sigui lidera e ranking den Caribe cu e clima di inversion mas atractivo y Corsou tambe ta posiciona halto den e ranking aki. Esaki ta a pesar di e hecho cu ambos isla a wordo afecta hopi mas fuerte pa e crisis di COVID-19 cu mayoria di e otro islanan den Caribe.

Na 2021 EBA a publica e rapport CICI pa prome biaha. E CICI publica na 2021 a cubri aña 2019 prome cu e brote di e pandemia di COVID-19. Un aña despues, EBA a publica e CICI nobo cu ta tene cuenta cu e efectonan di e crisis di COVID-19 den e clima di inversion. Debi na e falta di disponibilidad di data, e indice no por wordo determina pa Sint Maarten.

E documento ta splica cu CICI ta midi con atractivo e clima di inversion ta na e paisnan di region di Caribe. E ta remarca cu ta importante pa atrae inversionistanan stranhero debi na e escala chikito di mayoria di economianan, e falta di acceso na capital internacional y e dependencia riba importacion di hopi di e paisnan den Caribe.

E indice ta consisti di 16 pais y ta componi pa 18 indicador institucional, economico y financiero cu por haci cu un pais ta mas atractivo pa inversionistanan stranhero. Un puntuacion mas halto di CICI ta refleha un miho clima di inversion. Algun ehempel di indicadornan ta: estado di derecho, apertura di e economia, tarifa di interes, debe publico y participacion laboral, entre otro.

E region Caribense a wordo golpia duro pa e crisis di COVID-19. Hopi pais di e region incluyendo Aruba, Corsou y Sint Maarten, ta de-

pende di turismo como pilar economico, cu a keda paralisa casi completamente na 2020. Di e paisnan cu ta integra CICI, e reduccion promedio di e Producto Interno Bruto (GDP) real na 2020 tabata 12.8%.

Den comparacion, e economia Hulandes tabatin un reduccion di 3.8% na 2020. Aruba y Corsou a wordo afecta mas fuerte pa e crisis di COVID-19 cu e otro paisnan di Caribe.

E rapport CICI di 2022 ta aborda añanan 2020 y 2021 y e efectonan di COVID-19.

Na tur e paisnan, cu excepcion di Puerto Rico y Trinidad & Tobago, e clima di inversion a mira un deterioro pa motibo di e pandemia. E rapport ta demostra cu Aruba ainda tin e clima di inversion mas atractivo, a pesar di e golpi fuerte cu e isla a ricibi pa motibo di COVID-19.

E puntuacion CICI di Corsou tambe a cay como resultado di e pandemia. Sinembargo e clima di inversion ta mas atractivo compara cu varios di e otro paisnan den region debi na su institucionnan solido. Corsou ta na di cuater luga den e ranking.

Segun e documento, Puerto Rico y Trinidad & Tobago ta e unico paisnan cu nan puntuacion CICI no a cay. E pandemia tabatin un impacto relativamente chikito riba e economia y ambos pais a logra un crecimiento economico negativo e añanan prome cu e pandemia a cuminsa. Nan crecimiento apenas a wordo afecta pa e pandemia.

Pa loko ta trata e desaroyo di e clima di inversion, na 2022 esaki ta relaciona na e medidanan den cual e paisnan por recupera economicamente di e efectonan di e pandemia. Varios pais, incluyendo Aruba, a muestra un recuperacion economico fuerte na 2021 como resultado di un aumento significativo di turismo compara cu 2020. Sinembargo, e desaroyo di turismo ta permanece incierto despues di e crisis di e pandemia. Ademá ta existi e incertidumbre pa e aumento di inflacion riba nivel mun-

dial y e guerra na Ucrania.

E tarifa di interes tambe por representa un menasa serio pa e clima di inversion. Segun CICI ta señala, ta importante pa Aruba y Corsou reduci gradualmente e debe publico. Cu e aumento di e tarifa di interes, e desplazamento di inversion publico lo aumenta, manera por ehempel den educacion y infraestructura. Esaki mientras ta exige un necesidad di inversionnan den ambos area.

Adicionalmente, e documento a subraya, mester accelera e ritmo di e reformanan economico den e contexto di e landspakketnan y e agendanan di implementacion. E ta agrega cu na Corsou, y den medida mas chikito na Aruba, tin un buraco grandi di produccion y un potencial economico sin explota. Pa cambia e rumbo economico, mester accelera e ritmo di implementacion di e reformanan. E prioridad y conexion di e diferente reforma- y medidanan ta esencial den e aspecto aki.

Por ultimo e rapport ta destaca cu e disponibilidad di data di Aruba, Corsou y Sint Maarten, ta limita y e datonan di Sint Maarten ta hopi mas limita pa calcula un puntuacion CICI. E importancia di miho data pa un bon formulacion di politica a wordo enfatisa durante añanan. Ademá e datonan ta esencial pa midi y monitorea e efectonan di e reformanan den e contexto di landspakketnan.

BON DIA ARUBA ta un corant redacta y imprimi na Aruba y ta obenibel di dialuna te cu diasabra. Ningun contenido por wordo reproduci sin permiso di editor.

Aruba tin talento hubenil musical cu e grupo Rocking Youth Band

Tin asina tanto grupo musical awendia riba internet, cu ta resulta imposibel pa haya sa cuanto grupo ta nace cada dia. Na Aruba recientemente un grupo hubenil di musica a wordo crea na un scol cu e fin di entretene y sigui crece den e area di musica.

Rocking Youth Band ta un grupo conforma di 9 hoben entre 13 y 15 aña di edad cu fin di siman ultimo a haci nan prome presentacion pafo di nan scol, cu primeramente tabata e luga na unda nan a wordo crea un aña pasa. Normalmente nan tabata presenta nan performance den diferente evento di scol y esun aki a tuma luga na un local conoci.

Den nan comienso, nan tabata dirigi door di juffrouw Petra Alben, pero el a bay biba na Hulanda back, lagando atras e peticion pa no laga nan talento bay perdi y asina present'e den e grupo den diferente area como piano, baho, guitarra, drum, ukulele, entre otro.

Den e ocasion aki, Bon Dia Aruba a haci un entrevista special cu Tony Parejo, un musico di profesion cu ta duna les di musica, kende ta representante di e banda musical aki y tambe ta tata di dos di e hobennan cu ta conforma e banda. El a sigura cu nan prome presentacion di diasabra ultimo pa publico general tabata un exito cual e hendenan presente a disfruta.

E muchanan di Rocking Youth Band tabatin les di musica den mesun scol unda algun di nan te ainda ta studia y cada un ta ricibi les aparte di e instrumentonan cu nan ta specialisa.

Rocking Youth Band ta forma pa Paula Spinosi di 14 aña, Jenna Croes di 15 aña, nan dos ta dedica na tocamento di ukulele; Vida Maria di 13 aña cu ta den e parti di vocals y piano; Isabella Manrique di 14 aña cu ta canta; Ethan y Ian Parejo di 14 aña specialisa den drum, percusion, violin y guitarra; Cynthia Rafael di 14 aña cu ta dedica na baho; Lukas Teklenborg di 15 cu cajon y percusion; y Hugo Vroegop di 13 aña cu ta toca piano.

E 9 hoben aki segun Parejo a conta, tin un diferencia special di otro gruponan di mu-

sica ya cu nan performance ta varia, nan no ta toca solamente rock, pop of balada sino tambe nan ta haci mescla di cajon cu ukulele. Ademas tin stem di tres hoben cu ta canta y un di nan ta di opera. Na e momentonan aki el a informa cu nan ta bezig cu un mescla di concepto moderno cu opera, un proyecto di produccion personal.

Actualmente nan ta haci cover di diferente artista, pero igualmente nan tin caba nan canticanan propio pa asina nan tin nan mesun produccion den e area musical ey. "Nan ta hopi emociona pa haci esey, pero apenas nan tin un aña cu nan ta combina nan studio cu lesnan di musica y e banda", Parejo a informa.

Como muchanan hoben, cada un di nan tin nan responsabilidad di scol, nan tin nan aspiracion y hobbie – como training windsurf of bira un piloto di avion. Nan tin e meta di haci un produccion den tempo di un aña cu ta e aña escolar aki cu a caba di cuminsa. Den e tempo aki nan kier traha nan canticanan propio cu productornan y areglistanan, unda nan tur lo por keda contento cu loke nan ta bin haciendo sin perde nan enfoka riba nan estudio.

Parejo tambe a conta cu nan a dicidi di cambia nan nomber, pa motibo cu nan tabatin e nomber di scol unda nan a cuminsa, cu ta 'Schakel Band'. Pero pa motibo cu algun di nan a sali for di scol y bay studia otro caminda, nan a cambia pa e nomber di 'Yessified Chicken Nugget', pero Parejo a splica cu no tur di nan tabata di acuerdo cu e nomber aki, y ta p'esey cu awor nan a bolbe cambia na e nomber pa "Rocking Youth Band".

Mientras tanto, nan ta sigui training den nan canticanan nobo, unda Parejo a menciona cu nan ta organisando un actividad pa luna di september, pero cu te ainda e no tabatin mucho detaye di esey. Como nan ta un grupo musical relativamente nobo, nan no tin rednan social como grupo musical mes, pero nan representante e Sr. Parejo a sigura cu pronto comunidad lo tende di nan pa asina sigui duna di conoce nan talento.

Whistle-blower Aid, cual ta trahando cu Zatko, a confirma e autenticidad di un copia redacta di su keho cu a ser publica online pa The Washington Post.

“Esaki tabata un ultimo recurso pa su persona,” John Tyre, e grupo su co-fundador y hefe a bisa den un entrevista diamars. El a bisa cu Zatko a haci uso di tur opcion y manera pa resolve su preocupacionnan dentro di e compania prome cu el a ser kita for di sutrabao den januari.

Entre Zatko su acusacionnan mas serio, tin e tema cu Twitter a viola e termino di un acuerdo den aña 2011 unda

cu el a bisa cu nan a pone den vigor medidanan mas estricto y fuerte pa proteha e siguridad y privacidad di nan usuario. Zatko tambe ta acusa e compania di gañamento tocante e manera con nan ta trata cuentanan falso of “spam”, cual ta un acusacion cu ta e base di Musk su intento di no cumpli cu e adkision.

Miho conoci pa su nomber como hacker, ‘Mudge’, Zakto ta un experto cibernetico hopi respeta ken a cuminsa genera prominencia den aña 1990 y despues a traha den posicionnan halto den Pentagon Defense Advanced Research Agency y Google.

E keho di 84 pagina ta describi un cultura kibra na Twitter cu tin falta di liderazgo efectivo y unda cu Zakto a expresa cu ehecutivonan grandi a practica “ignorancia intencional” na e problemanan di gran importancia. Su descripcion di Dorsey su liderazgo a trece dilanti cu e no tabata enfoca ni involucra durante e

Entre Zatko su acusacionnan di mal practica cibernetico, tambe a bisa cu actualisacion di programacion y siguridad a ser paga na mas di un tercer parti di e empleadonan su computer, cual ta expone nan na programacionnan malicioso, y e tabata un practica comun pa e empleadonan instala “cualquier programacion cu nan tabata kier den nan sistema.” E tipo di actonan aki usualmente ta ser considera un pica cardinal den siguridad cibernetico.

Un di e acusacionnan mas alarmante di Zatko ta cu Twitter a permiti e gobierno di India pone nan agentenan riba e compania su payroll, cual ta permiti nan tin “acceso directo y sin supervision na e compania su sistema y

dato di usuario.”

Tambe a trece dilanti cu Twitter ta depende profundamente riba fondo di entidadnan Chino, y cu tin preocupacionnan dentro di e compania si nan tabata provee informacion na e entidadnan aki cu lo permiti nan mira informacion sensitivo di e usuarionan Chino ken secretamente ta usa Twitter, cual ta oficialmente prohibi na China.

Presidente di Parlamento Edgard Vrolijk den e di cuater edicion di “Presidente ta informa” edicion 4

Den edicion 4 y ultimo prome cu Aña Parlamentario lo enfoca riba independisacion, renobacion di edificio di Parlamento y planes pa 2022-2023.

Falta ainda pa cuminsa e proceso di independisacion y renobacion di edificio di parlamento

Den pasado a cuminsa e proceso di independisacion pero esaki a keda pega. September venidero tin plania pa sinta cu Hulanda y busca e ayudo necesario pa haci e investigacionnan necesario y duna e scenarionan cu lo ta miho pa por independisa Parlamento structuralmente. Y unabes cu esaki ta cla, e ta den man di Parlamento pa haci escogencia di e miho modelo y cuminsa e fasanan cu mester ser encamina pa porfin Parlamento por ta independiente. Un otro aspecto cu mi a bin encontra ta un edificio cu mester un renobacion urgente y sperando cu nos por keda cla cu DOW pa nos por

bin na remarke na fondo y pa asina na aña 2024 por cuminsa cu esaki.

Planes pa 2022-2023

E prioridad ta pa cuminsa e proceso pa independisacion di Parlamento y termina e procesonan necesario pa por yega na renobacion di Parlamento cu ta existi hopi di DOW conhuntamente cu bedrijfsvoering pa por logra keda cla pa por cuminsa cu renobacion di edificio na 2024 sino esaki lo bira 2025. Tin un parti di Parlamento ta den un estado deplorabel unda cu practicamente esaki no ta usabel mas y por forma un peliger pa trahado y Parlamentarionan. Esaki ta pone cu e renobacion ta hopi urgente. Banda di esaki nos por wak e tendencia di ultimo dos eleccion unda cu mas partido politico ta saca asiento y e capacidad actual sin e parti aki di Parlamento, no lo por acomoda mas fraccion cu saca asiento.

Sigur un otro aspecto cu lo

sigui explora ta con pa reduci mas gasto entre gastonan di utilidad, pero tambe pa percura pa implementacion di digitalisacion di tur documento pa asina reduci gasto y cu na mes momento ta contribui na nos medio ambiente. Por ultimo un otro punto di atencion pa 2022-2023 y cu ta sumamente necesario ta pa amplia e cantidad di personal na Parlamento.

Pa termina, den corto tempo, cu hopi contratiempo y cu un presupuesto limita a percura pa haci lo maximo pa mehora funcionamiento di Parlamento. Mi ta hopi agradecido na e trahadonan di Parlamento cu ta trahando cu alma y cuerpo pa haci esakinan posibel y sigur mi ta gradici nan pa nan confiansa y ta kere den locual tin di ser haci pa Parlamento di Aruba como instituto por sigui engrandecer. Den e proximo edicion lo mi sigui informa pueblo un bes pa luna di trabaonan cu Parlamento a bin ta haci.

"Mas cu cuater luna a transcuri y no tin un bista concreto di e decision di e Hunta di Supervision pa cu dicho suspension, mientrastanto e Hunta a apunta sr. Dominico Figaroa temporalmente na cabes di dicho Fundacion, encarga cu e maneho diario". Ta desea di sa for di Minister si e Hunta di Supervision a termina cu e investigacion contra sr. Tuit y si esaki tabatin suficiente base pa termina e contract, of si mester a yega na acuerdo monetario cu sr. Tuit pa termina e relacion laboral.

Klaske Apperloo a start prome di augustus ultimo como Presidente di Hunta di maneho SGB

Sucesor di Frans van Efferink a haci apertura di aña escolar 2022-2023 pa SGB Bonaire. Klaske Apperloo ta sigui Frans como director den SGB. Klaske tin mas cu 30 aña di experiencia den enseñansa. Di VO te MBO y den diferente funcion. Na Hulanda el a traha por ultimo como presidente di hunta di directiva na MBO Rijnland. Como partidario grandi di siñamento personalidad, el a implementa algun trayekto pionero na Hulanda.

Un ehempel di esaki ta organisa enseñansa di tal manera, cu alumno-/studiantenan por siña den nan mes tempo, caminda no ta aplica e sistema di klas pa aña mas. Banda di esey, trahamento hunto den e laso amplio pa Klaske ta condicional pa por laga alumno-/studiantenan probecha optimalmente di enseñansa.

“Interes di alumno-/estudiante mester ta e punto di salida den tur cos cu nos ta haci of dicidi”, segun Apperloo. “Lamentablemente di naturalesa hende ta basta un kraskijker. Cu esey mi ke men, cu tur cos cu bay robes of ta negativo ta haya mas atencion. Hopi biaha esey ta guli mayoria tempo di enseñansa, cu tur consecuencia. Pasobra un mucha cu ricibi atencion lo enforzá motibo di e tension ey. Pa e motibo ey ta necesario pa nos ta masha consciente di nos comportacion como adulto den esaki. Nos ta mira ainda kico si un mucha por haci? Nos ta mira ainda kico ta su talentonan? Nos ta capaz pa fortalece e talentonan y loke e mucha ta bon den dje? Despues di tur cos, cada mucha/hende tin talento. Dedicacion na esaki y pone enfasis riba dje, ta beneficia e mucha mucho mas. Un bunita metafora den esaki ta e historia real caminda un homber confundi a rasca Nachtwacht di Rembrandt van Rijn na 1975. Rijksmuseum a pospone e plannan di restauracion pa algun aña. Esaki, pa motibo cu for di henter mundo hende tabata bini Rijksmuseum pa wak e kransnan riba Nachtwacht. Volumen di negoshi di Rijksmuseum a mas cu duplica den e periodo ey. No tabata wak bunitesa di e cuadro mas, pero solamente e daño. Pa e motibo ey e termino kraskijker. Den trato cu mucha tambe nos tin e tendencia ey. Nos sa esey, pero cada bes di nobo atencion pa loke no ta bay bon ta sluip dreña. Ta un cuestion di practica hopi cu otro y realmente kere y transmiti cu bo ta mira oportunidad y posibilidad pa e mucha. Kere mi, sa pasa regularmente cu mi tambe ainda, cu mi ta laga comportacion negativo di un alumno/estudiante influencia mi. Ora esey pasa mi, gustosamente mi ta acepta coreccion.” Clase Apperloo a start prome di augustus ultimo como Presidente di e Hunta di maneho y ta sinti su mes na cas na Boneiro y na SGB. “Ta un deseo di mi di hopi tempo pa biba na Antias. Ora e oportunidad a presenta, mesora mi a gara e chens hunto cu mi casa Aad Apperloo.

Lider di GroenLinks Jesse Klaver a acusa CDA di a crea un crisis den Gabinete cu e tipo di remarcnan aki. Lider di partido PVV Geert Wilders a comenta cu e democratanan cristian ta purbando di genera mas poder y voto.

Segun Heerma, Gobierno mester haci excepcion den cierto areanan pa e discusionnan entre e personanan involucra den e crisis di ni-

trogeno, cu mediador Johan Remke por ta exitoso. “No stop e transition, pero si logra pa esaki cuminsa cana atrobe.” “Den varios luga, un reduccion di 50 porciento di nitrogeno por ser cumpli pa aña 2030.” Sinembargo mirando e resistencia grandi pa cu e gabinete su plan, e kier kibra e “impasse.”

“Bo ta menasando un crisis di Gabinete. Esaki ta hopi irresponsabel,” Lider di GroenLinks Jesse Klaver a bisa den respuesta na Heerma su sosten na Hoekstra su comentarionan. Den un entrevista siman pasa, diputado Prome Minister a distancia CDA di e acuerdonan haci den e negociacion di coalicion. E partidonan den oposicion tin plan di haci peticion pa Gabinete provee mas claridad. GroenLinks lo haci peticion pa mantene e meta di 2030, mientras cu partido pro-cunukeronan lo entrega peticion pa retira e fecha aki.

Varios partido den oposicion

kier a sa si CDA lo sali for di Gabinete si e otro partidonan den e coalicion keda cu e meta poni pa aña 2030. Wilders di partido PVV a bisa cu Hoekstra y Heerma a “haci un promesa na e cunukeronan.” “E cunukeronan di Hulanda kier sa si nan a solamente bisa algo riba escenario pa por genera punto, of si di berdad nan tin curason pa e cunukeronan.” Heerma

no kier a comenta nada tocante esaki te ainda, bisando cu e lo warda e resultadonan di Remke su consultanan.

Klaver tabatin tiki pasenshi pa Heerma su actitud di ‘ban warda y despues nos ta wak’. “CDA ta extendiendo e receso.”

Wilders tabata kier pa Minister di Finanzas Sigrid Kaag

ta presente sinembargo su persona no por a presenta pa causa di a bira malo. PVV entre otro partido, a argumenta pa e debate keda posponi te ora cu Kaag por ta presente. Segun Wilders, Kaag su presenencia ta sumamente importante pa motibo cu despues di Hoekstra su entrevista, el a bisa cu e no tin confiansa den e lider di CDA mas.

Embahada Hulandes su guardianan di seguridad ta scondiendo for di Taliban

(NLTimes) - Guardianan di seguridad cu a traha pa e embahada Hulandes na Kabul ta preocupado pa nan seguridad. Nan no a ser poni den Hulanda su lista di evacuacion y awo ta bibando scondi for di Taliban, segun loke 3 guardia di seguridad cu a traha pa e embahada pa mas di 10 aña a conta RTL Nieuws. Nan a crea number pa asina sconde nan identidad den e articulo.

“Mi a traha pa e embahada Hulan-

des pa 12 aña,” Ahmad a conta. “Nos a ser priminti cu nan lo bay cu nos.” Sinembargo Hulanda no a cumpli cu e promesa aki, el a bisa. E personal di limpieza dentro di e embahada a ser evacua, sinembargo e guardianan di seguridad a ser laga atras.

Ahmad a ser ataca pa un persona cu un bayoneta na caminda pa cas. “Mi a ser asalta cu un bayoneta.” Ora cu el a lanta e tabata den hospital. “Afortunadamente, e no tabata mi ora ainda,” y awo e ta biba scondi.

Mohammed, ken a traha pa e embahada Hulandes pa 14 aña tambe ta bibando scondi actualmente. “Un dia mi no tabata na cas. Nan a bay cu mi tata y nan a tortura su persona. Mi tabat’ey back na cas pero ami no ta biba ey mas. Awo mi ta biba cu amistadnan y despues di mita biba cu otro hende.”

Abdul, cu a traha pa e embahada Hulandes pa 13 aña, ta muda cada par di luna, el a conta RTL. El a bisa cu e no sa kico lo pasa si Taliban haya su per-

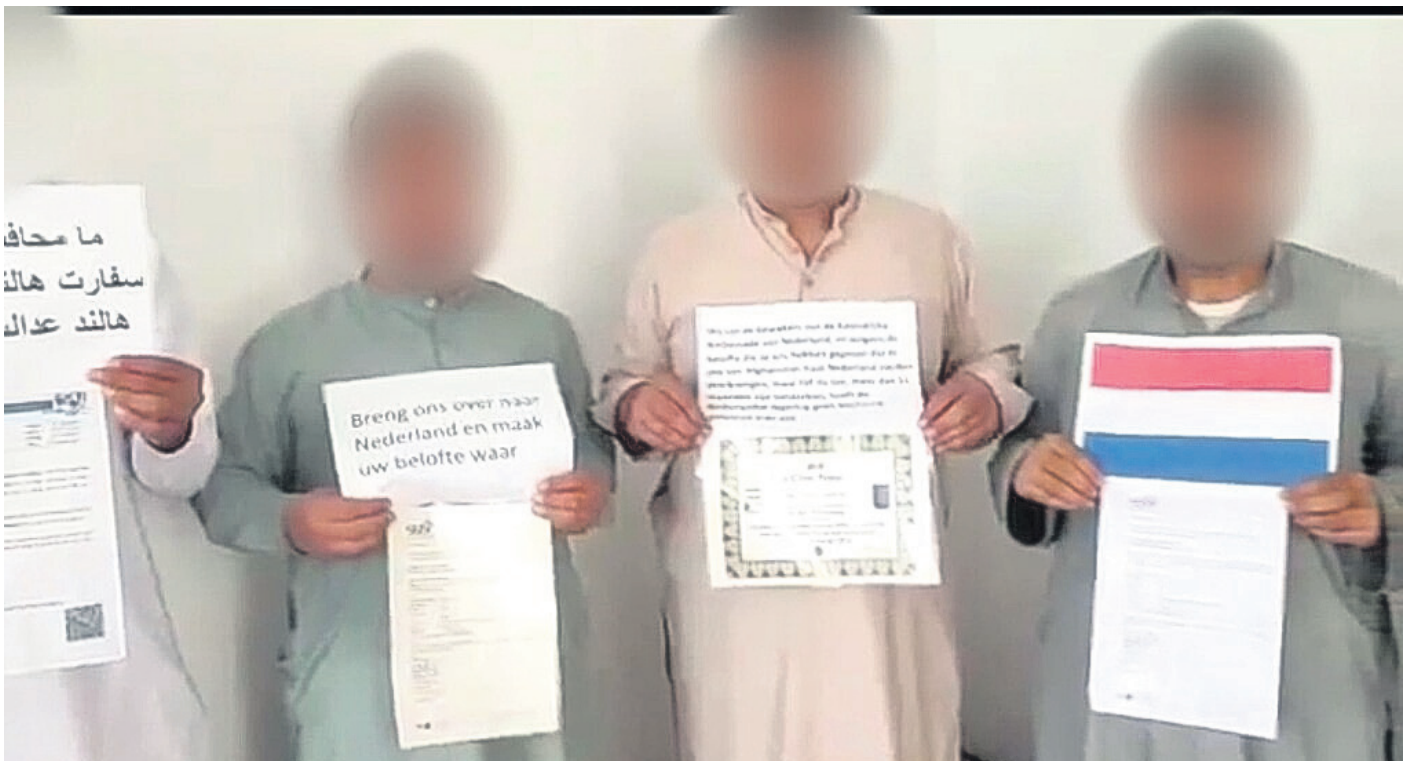

sona. E ta cubri su mes di cabes te pia ora cu e sali for di cas. “Tur biaha mi ta bisa mi famia, si mi no bolbe back cas ta paso Taliban a gara mi.”

Segun Gobierno Hulandes nan no a evacua e guardianan di seguridad pa motibo cu nan no tabata empleado directo bao di e embahada. Nan a ser contrata via un intermediario. “Pero esaki no ta in distincion cu Taliban ta haci,” Sara de Jong, un experto den Afghanistan na University of York a bisa. “E no ta importa si bo tabata empleado directo of indirecto bao contract. E carta simplemente tin e bandera Hulandes.”

E guardianan di seguridad tambe a traha na aire liber, defendiendo e embahada Hulandes contra di Taliban mes. “Nan tabata para meymey di caya cu armanan pisa henter dia pa defende e embahada,” De Jong a conta. “E ta algo bon cu e ekipo di limpieza a ser evacua, sinembargo nan a traha paden y fuera di bista. E no ta comprendibel con e guardianan di seguridad a ser laga atras.”

E 3 guardianan cu a papia cu RTL Nieuws a bisa cu nan ta arepentí di a traha pa Hulanda. “Nos a haci un bon trabao pa boso,” Ahmad a bisa. “Henter dia y henter anochi, Nos a asumi cu algun dia boso lo honra esaki.”

Amid housing crises vacation towns limit short-term rentals

(AP) — In the Colorado ski town of Steamboat Springs, motels line the freeway, once filled with tourists eager to pitch down the slopes or bathe in the local hot springs.

Now residents like Marc McDonald, who keep the town humming by working service-level jobs, live in the converted motels. They cram into rooms, some with small refrigerators and 6-foot-wide kitchens, or even just microwave kitchenettes. Others live in mobile homes.

Steamboat Springs is part of a wave of vacation towns across the country facing a housing crisis and grappling with how to regulate the industry they point to as a culprit: Short-term rentals such as those booked through Airbnb and Vrbo that have squeezed small towns' limited housing supply and sent rents skyrocketing for full-time residents.

“It’s basically like living in a stationary RV,” said the 42-year-old McDonald, who lives with his wife in a just over 500-square-foot converted motel room for \$2,100-a-month, the cheapest place they could find.

McDonald, who works maintenance at a local golf course and bartends at night, and his wife, who’s in treatment for thyroid cancer and hepatitis E, said they will be priced out when rent and utilities jump to about \$2,800 in November. “My fear is losing everything,” he said, “My wife being sick, she can’t do that, she can’t live in a tent right now.”

Short-term rentals have become increasingly popular for second homeowners eager to offset the cost of their vacation homes and turn a profit while away. Even property investment companies have sunk hundreds of millions of dollars into the industry, hoping to pull a larger yield from tourists seeking their own kitchen, some privacy and a break from cookie-cutter hotel rooms.

When the pandemic opened the floodgates for remote work, Airbnb listings outside of major metro areas rose by nearly 50% between the second quarter of 2019 and 2022, the company said.

In six Rocky Mountains counties, including Steamboat Springs’ Routt County, a wave of wealth flooded towns, with nearly two-thirds of 2020 home sales going to newcomers, most making over \$150,000 working outside the counties, according to a survey from the Colorado Association of Ski Towns.

Local governments — from Lincoln County on Oregon’s coast to Ketchum in Idaho’s Smoky Mountains — are grappling with how to regulate the \$74 billion industry they say fuels their economies while exacerbating their housing crises.

In June, the Steamboat Springs City Council passed a ban on new short-term rentals in most of town and a ballot measure to tax the industry at 9% to fund affordable housing.

“There is not a day goes by that I don’t hear from someone ... that they have to move” because they can’t afford rent, said Heather Sloop, a council member who voted for the ordinance. “It’s crushing our community.”

The proposed tax is strongly opposed by a coalition that includes businesses and property owners, the Steamboat Springs Community Preservation Alliance. Robin Craigen, coalition vice president and co-founder of a property management company, worries the tax will blunt any competitive edge Steamboat might have over other Rockies resorts.

Former Louisville cop pleads guilty in Breonna Taylor case

(AP) — A former Louisville police detective who helped falsify the warrant that led to the deadly police raid at Breonna Taylor's apartment has pleaded guilty to a federal conspiracy charge.

Federal investigators said Kelly Goodlett added a false line to the warrant and later conspired with another detective to create a cover story when Taylor's March 13, 2020, shooting death by police began gaining national attention.

Taylor, a 26-year-old Black woman, was shot to death by officers who knocked down her door while executing a drug search warrant. Taylor's boyfriend fired a shot that hit one of the officers as they came through the door and they returned fire, striking Taylor multiple times.

Goodlett, 35, appeared in a federal courtroom in Louisville on Tuesday afternoon and admitted to conspiring with another Louisville police officer to falsify the warrant. Goodlett briefly answered several questions from federal judge Rebecca Jennings Grady.

Taylor's mother, Tamika Palmer, was in the courtroom Tuesday but did not speak after the proceedings.

Three former Louisville officers were indicted on criminal civil rights charges earlier this month by a federal grand jury. Goodlett was not indicted, but charged in a federal information filing, which likely means the former detective is cooperating with investigators.

Goodlett will be sentenced Nov. 22. Grady said there may be "extenuating circumstances" that may move the court to push back the sentencing

date. Part of the plea hearing was also kept under seal and was not discussed in open court Tuesday. She faces up to five years in prison for the conviction.

She resigned from the department Aug. 5, a day after U.S. Attorney General Merrick Garland announced new federal charges in the Taylor case.

Former officers Joshua Jaynes and Kyle Meany were indicted on charges related to the warrant used to search Taylor's home. A third former officer, Brett Hankison, was charged with using excessive force when he retreated from Taylor's door, turned a corner and fired 10 shots into the side of her two-bedroom apartment. He was acquitted by a jury on similar state charges earlier this year. Jaynes, Meany and Hankison have all been fired.

The three former officers face a maximum sentence of life in prison if convicted on the civil rights charges.

Federal prosecutors said in court records that Jaynes, who drew up the Taylor warrant, had claimed to Goodlett days before the warrant was served that he had "verified" from a postal inspector that a suspected drug dealer was receiving packages at Taylor's apartment. But Goodlett knew this was false and told Jaynes the warrant did not yet have enough information connecting Taylor to criminal activity, prosecutors said. She added a paragraph saying the suspected drug dealer, Jamarcus Glover, was using Taylor's apartment as his current address, according to the court records.

Two months later, when the Taylor shooting was attracting national headlines, the postal inspector told a

media outlet he had not verified packages for Glover were going to Taylor's apartment. Jaynes and Goodlett then met in Jaynes' garage to "get on the same page" before Jaynes talked to investigators about the Taylor warrant, court records said.

They decided to say Sgt. John Mattingly, who is identified in the court records as J.M., told them Glover was receiving packages at Taylor's home, according to prosecutors. Mattingly was shot in the leg during the raid at Taylor's apartment.

Meany, who signed off on the Taylor

warrant and was still a Louisville police sergeant when he was indicted on Aug. 4, was fired by Louisville Police Chief Erika Shields on Friday.

Shields said in a statement that Meany has not yet had his case heard by a jury, but "he is facing multiple federal charges after a lengthy investigation by the DOJ" and should not "expect continued employment under such conditions."

Hankison was the only officer charged who was on the scene the night of the killing.

Asylum seekers caught in political battle in NYC, Washington

(AP) — Weary of Venezuela's autocratic government and the pittance he earned in the military, Dario Maldonado deserted and fled with his family to neighboring Colombia.

But life remained hard —

money was tight and expenses mounted. So he set off for the United States, an odyssey that required him to travel by foot through Central American jungle infested with venomous snakes and gun-toting bandits, sometimes sidestepping the corpses of people

who died on the same journey.

Now Maldonado and thousands of other asylum seekers from across Latin America and the Caribbean are caught in the political battle over U.S. immigration policy after two Republican governors started sending busloads of migrants to New York City and Washington.

Border cities such as San Diego have long wrestled with influxes of asylum-seekers and created well-oiled machines to respond, but the nation's largest city and its capital were caught flat-footed. That created an opening for Greg Abbott of Texas and Doug Ducey of Arizona to exploit what they consider

failed Democratic leadership.

Nearly 8,000 migrants have arrived on the state-sponsored bus trips, straining the resources and humanitarian services of both cities, which have also sought assistance from the federal government.

"This can be chaotic. But we want to send a message: We're here to help, and we want to put politics aside," said New York City's immigration commissioner, Manuel Castro, as he greeted arriving migrants on a recent morning.

Abbott started the practice in April with Washington, and Doug Ducey followed suit in May. Abbott also recently began sending buses to New

York.

For migrants, the politics are only dimly understood — and far less relevant than finding temporary shelter, jobs and a long-term home in America.

"I have heard that the Texas governor is anti-immigrant," Maldonado said outside a New York shelter. "It is like a war between the party of the governor of Texas and the party of Biden."

A voluntary consent form for free transportation from Texas tells migrants that Washington is where the president and members of Congress "are more immediately able to help address the needs of migrants."

2 men convicted in plot to kidnap Michigan Gov. Whitmer

(AP) — A jury on Tuesday convicted two men of conspiring to kidnap Michigan Gov. Gretchen Whitmer in 2020, delivering swift verdicts in a plot that was broken up by the FBI and described as a rallying cry for a U.S. civil war by anti-government extremists.

The result was a big victory for the U.S. Justice Department. A different jury just four months ago couldn't reach unanimous decisions on Adam Fox or Barry Croft Jr. but acquitted two other men, a stunning conclusion that led to a second trial.

Their arrests nearly two years ago came at an extremely tense time: the volatile

homestretch of the election between Joe Biden and then-President Donald Trump playing out against a backdrop of armed protests over COVID-19 restrictions, especially in Michigan.

Jury selection in the retrial of Fox and Croft coincidentally occurred a day after FBI agents searched Trump's Mar-a-Lago estate for documents, putting the agency in headlines at the same time that the judge was trying to detect any biases about law enforcement in the jury pool.

Fox and Croft were convicted Tuesday of two counts of conspiracy related to the kidnapping scheme and attempts to use a weapon of mass destruction. Prosecutors said

they wanted to blow up a bridge to disrupt police if the abduction could be pulled off at Whitmer's vacation home. Croft, 46, a trucker from Bear, Delaware, was also convicted of another explosives charge. The jury deliberated for roughly eight hours over two days.

"Today's verdicts prove that violence and threats have no place in our politics and those who seek to divide us will be held accountable. They will not succeed," said Whitmer, a Democrat, who turned 51 years old on Tuesday.

"But we must also take a hard look at the status of our politics," she added. "Plots against public officials and threats to the FBI are a disturbing extension of radicalized domestic terrorism that festers in our nation, threatening the very foundation of our republic."

Law enforcement officials across the country have been warning about an increase in threats and the potential for violence against agents or buildings.

Fox and Croft, who face sentences of up to life in prison,

just stared at the jury as the verdicts were read. Defense attorney Christopher Gibbons shook his head while another defense lawyer, Joshua Blanchard, removed his glasses.

Jurors declined to speak to reporters outside the courthouse.

"It's been a good fight. We were hoping for a different outcome," Gibbons said.

During closing arguments Monday, a prosecutor had a blunt message: No one can strap on an AR-15 rifle and body armor and snatch a governor.

"But that wasn't the defendants' ultimate goal," Assistant U.S. Attorney Nils Kessler said. "They wanted to set off a second American civil war, a second American Revolution, something that they call the boogaloo. And they wanted to do it for a long time before they settled on Gov. Whitmer."

The investigation began when Army veteran Dan Chappel joined a Michigan paramilitary group and became alarmed when he heard talk about killing police. He

agreed to become an FBI informant and spent the summer of 2020 getting close to Fox and others, secretly recording conversations and participating in drills at "shoot houses" in Wisconsin and Michigan.

The FBI turned it into a major domestic terrorism case with two more informants and two undercover agents embedded in the group. Evidence showed the group had many gripes, particularly over stay-at-home orders and other pandemic restrictions imposed by Whitmer.

Fox, Croft and others, accompanied by the government operatives, traveled to northern Michigan to see Whitmer's vacation home at night and a bridge that could be destroyed. Ty Garbin and Kaleb Franks, too, were on that ride. They pleaded guilty and testified for the prosecution.

Whitmer was not physically harmed; six men were arrested hours away from her home in October 2020.

David Porter, who leads the FBI in western Michigan, hailed the verdicts.

Children of climate change come of age in 'Katrina Babies'

(AP) - Edward Buckles, Jr. was 13 when Hurricane Katrina hit New Orleans and completely upended his life. Buckles and his family moved from New Orleans to Lafayette, Louisiana for several months while their hometown began to recover from the catastrophic storm.

He told The Associated Press he doesn't remember much from those months living in Lafayette, grasping for a sense of normalcy in the aftermath of one of the most destructive hurricanes in American history.

His community was experiencing so much destruction. Now as an adult, he views that blank spot in his memory as a response to the trauma of what he witnessed.

Buckles' parents asked him at the time if he was okay, but he wasn't quite able to figure that out for himself in the moment. Later the trauma resurfaced. With kids, he said, "what's responsible and

what's important is that you set them up to deal with that trauma once it surfaces."

But the filmmaker said in his new documentary "Katrina Babies" that not all the children who were traumatized by living through the hurricane and its aftermath had adults checking in on them. So that's what he set out to do, capturing several New Orleans residents as they reconcile with a childhood marred by Hurricane Katrina.

The documentary, which has garnered critical praise, will be available for streaming on HBO Max on August 24 and debuts on HBO the same day at 9 pm ET, 17 years and a day after the hurricane formed in the Atlantic Ocean.

It shows how New Orleans and its people were changed by the storm. It depicts the childhood trauma it caused for a generation coming of age after one of the United States' first major climate-related disasters. New Orleans

nians featured in the documentary share stories of seeing dead people and pets, of leaving home and returning to communities destroyed, while they were still children.

The film looks at climate past and present and, the filmmakers hope, sounds alarm bells for the climate future.

"I hope this is a local and American story that will motivate people to want to do better and care about human beings, and about how intrinsically linked we are with nature and that the future is clear: There is going to be more of this," said Audrey Rosenberg, lead producer of the film.

Buckles said that while Hurricane Katrina might have been a formative experience for him and the youth of New Orleans at the time, more waters have come through since. Though he isn't a climate scientist, he knows firsthand the repeated damage wrought on his hometown by hurricanes and

tropical storms made more intense by climate change.

"My grandmother lost her home due to flooding from Hurricane Katrina," he said. "She has been flooded seven more times just from tropical storms."

Cierra Chenier, 26, was featured in the documentary and also knows people who have had to rebuild multiple times since Hurricane Katrina due to subsequent hurricanes and storms.

She said the loss of culture and history in New Orleans due to repeated climate-related disasters like Hurricane Katrina shaped her decision to become a local historian and writer.

"I got into wanting to preserve our history because of how quickly I felt my childhood became history," she said. Even though the storm was 17 years ago, she said, it continues to shape the present.

Argentine prosecutors request 12-year sentence for VP

(AP) — Prosecutors on Monday asked a judge to sentence Argentine Vice President Cristina Fernández to 12 years in prison and bar her from holding public office for life for allegedly leading a criminal conspiracy that irregularly awarded public works contracts to a friend and ally.

“We are faced with the biggest corruption maneuver that this country has ever known,” prosecutor Diego Luciani said in his closing arguments in the trial of Fernández, who was president of Argentina from 2007 and 2015, before becoming vice president in 2019.

The alleged fraud against the state cost the country’s coffers around \$1 billion, Luciani said.

The former president has vehemently denied charges against her in the three-year trial and has said the judges already have the sentence against her “written and even

signed.”

Fernández has characterized the trial as an effort to use the courts to stop her from ever holding elected office again and her allies have characterized it as a political prosecution.

The presidential office came out in support of Fernández, saying she is the victim of a “persecution by the courts and media.”

Current President Alberto Fernández also expressed “solidarity” with his number two in a social media post.

Luciani told judges they will have the final say on whether “corruption or justice” prevails.

Although Fernández has faced numerous accusations of corruption for events that took place while she was in office, this marks the first time a trial against the former president has gotten this far to include a prosecutor formally requesting a sentence.

Fernández, 69, is accused of leading a conspiracy that involved awarding 51 public works contracts for road-works to Lázaro Báez in southern Santa Cruz province. Many of those public works were never finished.

Prosecutors say Báez, a former bank employee who went on to become a public works mogul, created the company Austral Construcciones as a way to win state tenders.

An additional 12 people are also indicted in the case, in-

cluding Báez and Julio De Vido, the minister who was in charge of public works during Fernández’s administration.

A sentence is expected by the end of the year and could be appealed.

Malaysia ex-PM Najib goes to jail after losing graft appeal

(AP) — Malaysian ex-Prime Minister Najib Razak began his 12-year prison sentence Tuesday after losing his final appeal in a graft case linked to the looting of the 1MDB state fund, with the top court unanimously upholding his conviction and sentence.

Najib, Malaysia’s first former leader to be imprisoned, was whisked away to Kajang prison on the outskirts of Kuala Lumpur after the verdict. Opposition leaders, activists and many citizens hailed the court’s swift ruling, calling it a victory for Malaysians who voted in 2018 to oust his gov-

ernment and bring Najib to justice.

The five-member Federal Court panel said it found the High Court’s decision was correct and that Najib’s appeal was “devoid of any merits.”

“This is a simple and straightforward case of abuse of power, criminal breach of trust and money laundering,” said Chief Justice Maimun Tuan Mat, who read out the verdict.

“We are unable to conclude that any of the findings of the High Court, as affirmed by the Court of Appeal, were

perverse or plainly wrong so as to warrant appellate intervention. We agree that the defense is so inherently inconsistent and incredible that it does not raise a reasonable doubt on the prosecution case,” she said.

The court ordered Najib, who has been out on bail pending appeals since his sentence in 2020, to begin his time behind bars. He also must pay a 210 million ringgit (\$47 million) fine.

1MDB was a development fund that Najib set up shortly after taking power in 2009. Investigators allege at least \$4.5 billion was stolen from the fund and laundered by Najib’s associates. Najib was found guilty in 2020 of seven charges of corruption for illegally receiving \$9.4 million from SRC International, a former unit of 1MDB.

Najib, 69, has maintained his innocence. Just before the verdict, he stood up in the dock to make a statement protesting the top court’s series of refusals last week to postpone the appeal hearings.

Najib said he felt he was “un-

fairly treated” and that his case has been rushed through. He pointed out that a leaked verdict by the Federal Court had been posted on a website and said if this was true, it would be the a “judicial misconduct of the highest order.”

Maimun said the appeal hearings had ended because Najib’s newly appointed lawyers refused to make any new arguments in protest of not being given more time to prepare.

Najib appeared in shock after the verdict was read. He was immediately surrounded by his family and supporters. His lawyer later told reporters they may seek a review of the court’s decision.

“This is a historic moment for Malaysia, where the most senior leader has actually now faced an unprecedented moment of political accountability,” said Bridget Welsh, a Southeast Asian expert at Malaysia’s Nottingham University. “For this decision, which is the first of many cases involving this particular scandal, to move in this particular direction really is a testimony to the rule of law in Malaysia,

and the strengthening of the demands for the rule of law in Malaysia.”

Earlier Tuesday, Najib sought to remove Maimun from the case, citing possible bias because her husband had made a negative Facebook posting about Najib’s leadership shortly after his ouster in 2018 general elections. But the judges dismissed Najib’s application.

The Federal Court last week also dismissed a bid by Najib to seek a retrial on grounds of bias by the High Court judge, and refused to postpone the appeal to give his new lawyers more time to prepare. The court also denied a request by Najib’s new lawyer to withdraw from the case.

Maimun, Malaysia’s first female chief justice who was appointed in 2019, has come under attack on social media from Najib’s supporters. Police arrested a man over the weekend in connection with death threats made against Maimun. Hundreds of Najib’s supporters gathered outside the court in a show of support.

Italy's Meloni slams energy policy as campaign heats up

(AP) — Leading her first election campaign rally, Italian far-right leader Giorgia Meloni on Tuesday slammed the European Union energy's strategy, saying families and businesses are being "brought to their knees" by soaring prices.

Meloni, who has been buoyed for weeks by opinion polls showing her leading in her quest to become Italy's first female premier and its first far-right government leader, used the evening pep rally in Ancona, an Adriatic port city, to hammer away at long-running themes for her Brothers of Italy party, whose symbol borrows an icon from a neo-fascist party.

She told the crowd of about 1,000 people in a town square there was a reason why she chose Ancona in Italy's east-central Marche region for her inaugural rally for Sept. 25 balloting for Parliament.

"I'm starting in Ancona not by chance," Meloni said, saying she did it so she can remind voters that "we have a class of leaders ready to govern the country."

Introducing Meloni was Marche's governor, Francesco Acquaroli, elected in 2020 on the Brothers of Italy ticket, one of several local or regional elections where her party has gained popularity in the last years, sometimes at the expense of her right-wing ally, anti-migrant League leader Matteo Salvini.

Meloni's main rival in opinion polls in the last several weeks is Democratic Party leader Enrico Letta, a former center-left premier. But while Meloni has center-right campaign alliances with both Salvini and with former Premier Silvio Berlusconi, Letta and his party have failed to forge similarly solid and broad alliances for the center-left.

Salvini, Berlusconi and another

populist leader, Giuseppe Conte, the former premier who leads the 5-Star Movement, sunk the national unity government of Premier Mario Draghi last month when they refused to back him in a confidence vote.

Often shouting, Meloni proclaimed that the political right is "ready to give answers to the country that the left hasn't been able to do" for years.

She contended that the European Union had failed to craft policies that would ensure available, affordable energy supplies. Sky-high energy prices "have forced businesses and families down to their knees," Meloni said.

While Salvini and Berlusconi in their campaigns have called for reactivating Italy's long-shuttered nuclear power plants, Meloni at the rally said Italy should exploit gas resources in the Adriatic Sea and not just look to buy gas from countries like Algeria, as Draghi has done, to wean Italians from supplies from Russia, given that country's war against Ukraine.

Meloni has called for naval blockades in the Mediterranean to foil migrant smugglers from launching unseaworthy vessels from Libya toward Italy's shores. Noting most migrants who reach Italy that way aren't eligible for asylum, Meloni said they only

wind up being exploited to work for low wages and in poor conditions by profit-hungry corporations — employment conditions "that Italians don't want."

At other public appearances, Meloni has slammed what she calls the LGBTQ lobby, but she made no mention of that stance at the rally. Still, her past words have alarmed rights advocates in Italy.

Matteo Marchegiani, leader of the Ancona chapter of Arcigay, a nationwide advocacy organization, told The Associated Press that he was very worried Meloni and her party could win a majority. Such an election victory "could lead to the cancellation of the few civil rights that the LGBTQ community as a civil rights movement has obtained after decades of work and great effort" in Italy, he said.

Italy doesn't permit same-sex marriage. Right-wing and pro-Vatican politicians in recent years have thwarted passage of legislation, promoted by the Democrats, for hate crime protection for the LGBTQ community.

A few protesters rallied near the square where Meloni spoke, with one of them holding a sign contending the leader foments hate.

UN nuclear agency again asks to visit Ukraine nuclear plant

(AP) — The U.N. nuclear agency renewed its request Tuesday to assess the safety and security at Europe's largest nuclear plant in southeastern Ukraine which Russia and Ukraine accuse each other of shelling, sparking warnings of a possible nuclear catastrophe.

U.N. political chief Rosemary DiCarlo announced at the start of an emergency meeting of the U.N. Security Council on the situation at the Zaporizhzhia nuclear plant that Rafael Grossi, director general of the International Atomic Energy Agency, requested to send an IAEA mission "to carry out essential safety, security and safeguard activities at the site."

DiCarlo said the U.N. has the logistics and security capacity in Ukraine "to support any IAEA mission to the plant from Kyiv, provided Ukraine and Russia agree."

The Zaporizhzhia plant has been under the control of Russian forces since early March, soon after their invasion of Ukraine. Technical experts from Ukraine continue to operate the nuclear equipment.

DiCarlo called the situation in and around the plant "dangerous" and called for the withdrawal of all military personnel and equipment from the facility and agreement on a demilitarized zone around its perimeter.

If the almost daily reports "of alarming incidents involving the plant" continue or escalate, DiCarlo warned, "we could face a disaster."

Russia's U.N. Ambassador Vassily Nebenzia told the council that since its last meeting on the operation of Zaporizhzhia about two weeks ago, "the nuclear safety situation has further deteriorated."

"The armed forces of Ukraine continue basically every day to shell the territory of the nuclear power plant and the town of Enerhodar and this creates a real risk of a radiation accident," he said.

"We expect that the IAEA trip mission will take place in the very near future and

the agency experts will confirm the real situation at the station," Nebenzia said. "We stand ready to extend maximum support possible to resolve all organizational issues."

After last week's high-level meeting in the western Ukrainian city of Lviv involving U.N. Secretary-General Antonio Guterres and the

presidents of Ukraine and Turkey, it appeared progress had been made on an IAEA mission to the plant. But since then, there had been no sign of progress until DiCarlo's announcement.

She told the council that the U.N. chief had discussed the issue of the plant's safety during a phone call with Russian Defense Minister Sergei Shoigu on Aug. 15 and with

Ukraine's President Volodymyr Zelenskyy during the Aug. 18 Lviv meeting.

"In close contact with the IAEA, the U.N. has assessed that we have the logistics and security capacity in Ukraine to support any IAEA mission to the plant from Kyiv, provided Ukraine and Russia agree," DiCarlo said.

England midfielder Jill Scott retires from soccer

(AP) — England midfielder Jill Scott announced her retirement from soccer on Tuesday, the second member of the Euro 2022-winning team to do so in two days.

The 35-year-old Scott's decision comes after Ellen White, the team's record scorer, said Monday she was retiring. Both Scott and White played in the final of the Women's European Championship on July 31, when England beat Germany 2-1 after extra time.

Scott made her England debut in 2006 and had a total of 161 international appearances — second only to Fara Williams with 172 — and scored 27 goals for the national side.

She had been without a club after leaving Manchester City at the end of last season.

"I may be saying my good-byes to football, but we're going to make this a celebration. No sad faces!! We've had too much fun for any tears," Scott wrote on The Players' Tribune website. "Maybe it's

because I'm from Sunderland, but two things have always been true about me: I've always been stubborn and I've always loved football.

"It's been in my blood ever since I was five years old. I saw a load of boys playing in the school yard and I walked straight up to them and said the four magic words ... 'Can I play too?'. Imagine, if you would have told me then that I'd go on to play for England for 16 years?

"If you would have told me that I'd live to see 90,000 people packed into Wembley Stadium for a women's European final? And that I'd be playing in it? Impossible."

Scott began her career with hometown Sunderland before spending seven years at Everton and then joining City in 2013. She later had loan spells back at Everton and Aston Villa. She won every domestic honor during her time in the game, including the Women's Super League title with City in

2017.

Other career highlights for Scott include scoring England's winner against the Netherlands in the Euro 2009 semifinals and also netting in City's 2017 Women's FA Cup final victory over Birmingham. She also represented Great Britain at the 2012 and delayed 2020 Olympics. She made four substitute appearances in England's

triumphant Euro 2022 campaign, including the final against Germany.

Prince William congratulated Scott on her career but joked he would not miss her "slide tackles."

William, who is president of the Football Association, wrote in a personal tweet: "A pioneer of Women's foot-

ball and a great team player. @JillScottJS8 congratulations on a wonderful career, it's been a pleasure to get to know you.

"Tiny bit pleased there won't be any more slide tackles during 'friendly' kickabouts... W." William presented members of the winning England team with their medals after the Euro 2022 final.

Yanks' Cashman backs Boone to turn 'slings' into 'bouquets'

(AP) — Yankees general manager Brian Cashman responded to his team's funk with some flowery language and belief in manager Aaron Boone, the coaches and players.

"You get the bouquets come your way when things are flying high and you get the slings and arrows when things aren't going well," Cashman said, hours before the Yankees beat the Mets 4-2 Monday night. "You hear it loud and clear. We know it and we feel it. And it's our job to find a way to to be flying high and make sure that the product out there is something that everybody's excited about."

Going into the Subway Series opener in the Bronx, the Yankees (75-48) had lost 14 of their last 18 games and six straight series for the first time since 1995. Their AL East lead stood at eight games, down from 15 1/2 games in early July.

Cashman and owner Hal Steinbrenner were booed during Sunday's ceremony to retire Paul O'Neill's No. 21. Cashman held a news conference Monday evening, endorsing the team's coaching staff and Boone, his fifth-year manager.

"He's even he's even keeled," Cash-

man said. "It's important for our players to see that, because if he can keep his temperament the same, for the most part, they don't see panic. They don't see anything. It doesn't mean he can't lose his cool, which he will from time to time when necessary. He has that gear and he can turn to it. You've seen it. But I think his demeanor is vitally important, in a market like this, especially."

Yankees star Aaron Judge said after Saturday's loss to Toronto there needed to be "a little better energy in the dugout and push each other a little bit."

Judge hit his major league-leading 47th home run in the win over the Mets, connecting off Max Scherzer. "When you're playing poorly, you usually look lethargic and not crisp," Cashman said. "If he had a meter for for testing commitment and caring and all that, we'd be off the charts with that crew. But I've been through this enough to know, too, that there are there spaces in time and patches your team can hit where it looks more zombie than than than what you're used to seeing."

Cashman said he would wait until after the season to evaluate his moves ahead of the Aug. 2 trade deadline, which including obtaining Frankie Montas from Oakland and Andrew Benintendi from Kansas City,

and dealing Jordan Montgomery to St. Louis for injured center fielder Harrison Bader, expected back next month.

Montas is 0-1 with a 9.00 ERA in three starts, and Benintendi is batting .228 with nine RBIs in 24 games for the Yankees.

Montgomery is 4-0 with a 0.35 ERA for the Cardinals. On Monday night, he pitched a one-hitter as the NL Central leaders beat the Chicago Cubs 1-0.

"We're going to reinforce what we got and double down on it," Cashman said. "And I believe that that's the right track with these guys. They're hearing it. They're feeling it, they know it. They're not afraid of it. And if they could turn the narrative to more positive yesterday, they would have done it by now. But they're not afraid to keep pushing through it until we push through it."

Cashman knows the Yankees have a restless fan base expecting the team to end a title drought dating to 2009.

"The group's got my belief," Cashman said. "I believe strongly in them. I think they're they're still capable of everything we ever hoped and dreamed. But we have to weather this storm first and foremost."

Symbolism, empty seats: soccer returns to Ukraine amid war

(AP) — With two teams playing in an empty stadium hundreds of miles away from their hometowns, the Ukrainian soccer league started its new season Tuesday after a poignant ceremony paying tribute to those fighting in the war with Russia.

The opening match at Kyiv's 65,500-seat Olympic stadium — where spectators were not

allowed in — saw two teams from the war-torn east of the country, Shakhtar Donetsk and Metalist 1925, play out a 0-0 draw. The result, though, was always going to be an afterthought.

It was the first top-level soccer match played in the country since Russia's invasion in February, and the decision to restart the league has been hailed as a defiant sign that Ukrainians are ready to restore some sense of normal life. Although this game felt far from normal.

Ukraine remains under martial law and large public gatherings have been banned in the capital ahead of the Independence Day holiday

Wednesday due to fears of potential Russian bombardment.

Police stood guard in front of the turnstiles, where weeds have grown after stadiums were closed six months ago, but no fans showed up to the arena. Three more league games were scheduled for later Tuesday.

Players from the two teams entered the field with blue and yellow Ukrainian national flags draped over their shoulders and observed a minute of silence while the names of Ukrainian cities where people had died in the war were displayed on a large screen.

Players raised a Ukrainian flag at the stadium that once belonged to Danylo Myhal, a Canadian of Ukrainian descent. At the Montreal Olympics in 1976, Myhal ran onto the field carrying the flag during a match between the Soviet Union and East Germany. Wearing an embroidered shirt, he danced a Ukrainian folk dance before being detained.

"(Myhal) always dreamed of bringing his flag to Ukraine and today it's finally happened," President Volodymyr Zelenskyy said in a televised address before kickoff. "It's being raised today at the opening of the Ukrainian soccer championship."

Primoz Roglic takes the lead as Vuelta returns to Spain

(AP) — The Spanish Vuelta was back in Spain. And defending champion Primoz Roglic was back in the lead.

Roglic showed he is in great form and in position to retain his Vuelta title with a dominant win in the fourth stage on Tuesday as the Grand Tour race returned to Spanish territory after three opening stages in the Netherlands.

Trying to win an unprecedented fourth straight Vuelta title, Roglic took the leader's red jersey after launching his attack in the final meters of

the uphill climb into Laguardia in the Basque Country.

The Jumbo-Visma rider opened a 13-second gap in the general classification to American teammate Sepp Kuss. Roglic was 26 seconds in front of Ethan Hayter of Ineos Grenadiers.

The Slovenian crossed the line in front of Mads Pedersen of Trek-Segafredo and Movistar's Enric Mas. It was the third-straight second-place finish for Pedersen, who was beaten by Sam Bennett in the second and third stages.

Roglic enjoyed his 10th stage win overall at the Vuelta. His preparations for this edition were not ideal — because of injuries sustained in a fall at the Tour de France — and his participation confirmed only a few days before the race started.

Ineos rider Richard Carapaz was 33 seconds off the lead, and Simon Yates of Bikeexchange-Jayco fell 51 seconds back overall.

The first three stages had taken place in the Netherlands for the first time after plans

to start there in 2020 were hindered by the coronavirus pandemic.

Riders will face five mountain passes in Wednesday's fifth stage finishing in Bilbao.

NCAA tennis champ Ben Shelton leaves Florida to turn pro

(AP) — NCAA tennis champion Ben Shelton is leaving the University of Florida to turn pro. The 19-year-old Shelton, who was born in Atlanta, announced his decision Tuesday on Twitter.

He received a wild-card invitation for the U.S. Open, which begins in New York on Monday. Shelton won the 2022 college singles championship as a sophomore for Florida. His father, former professional tennis player Bryan, coaches the Gators.

Shelton is ranked 171st this week. He is a left-hander who is listed at 6-foot-4 and 195 pounds on the ATP website.

Shelton made his ATP debut at Atlanta last month and won his first match there, before losing to 2018 Wimbledon semifinalist John Isner in a third-set tiebreaker.

Last week at Cincinnati, Shelton beat No. 5 Casper Ruud, this year's French Open runner-up, by a 6-3, 6-3 score, making Shelton the youngest U.S. man to defeat an opponent ranked in the top five since Andy Roddick in 2001.

Roddick was the last American man to win a Grand Slam title, doing so at the 2003 U.S. Open.
